Mid IR Stock Filters – Narrow Bandpass, Wide Bandpass

Electro Optical Components offers a broad selection of stock Mid IR narrow bandpass (NBP), wide bandpass (WBP), long and short bandpass (LP & SP), anti reflective (AR) coatings and neutral density filters. Custom filters are also available. The filters can be cut to your requirements. Applications for these filters include:

- NDIR gas detection
- The elimination of unwanted wavelengths using wide bandpass (WBP) filters
- Looking at specific wavelengths using narrow bandpass (NBP) filters.

These Mid IR Stock Filter products are offered by:

Electro Optical Components Inc.
