## Scintillator Detector Assemblies

Scintillation detector operating principle

Custom scintillation detectors assembly can be manufactured upon your request. Different scintillators and tubes can be integrated into gamma scintillation detectors.

NaI(Tl) scintillation detector 1"x1", 2"x2", 3"x3", 4"x4"x16"

LaBr<sub>3</sub>(Ce)/CeBr<sub>3</sub> scintillation detector 1"x1", 1.5"x1.5"

BGO scintillation detector

Plastic scintillation detector
